\_\_\_\_\_ and \_\_\_\_\_

We're from \_\_\_\_\_

We're in the community doing a questionnaire to determine people's religious thinking.

Would you help us by giving your thoughts in answer to a few brief questions?  Yes  No

According to a recent survey, there is today a rise of interest in religion. Are you more interested in spiritual matters than you were five years ago?  Yes  No

Do you perceive God as a Supreme Being who watches over you and to whom you ultimately answer?  Yes  No

Do you at some time and in some way pray every day?  Yes  No

Do you have a church, temple, or synagogue that you attend?  Yes  No

---

(Name of church, etc.)

Most people think that one of the things a church should do is help people discover eternal life - that is, how to get to heaven? Do you agree?  Yes  No

Have you come to the place in your spiritual life where you know for certain that if you were to die today you would go to heaven or is that something you would say you're still working on?  Yes  No  
 Hope So

Suppose you were to die today and stand before God and He were to say to you, "Why should I let you into My heaven?" what would you say?

(person's actual words) \_\_\_\_\_

May I have a few minutes to share this news with you?

If "No" then ask: Would you be open to discussing spiritual matters over lunch or in your home?
