WHY SHARE YOUR FAITH?

Do you remember when you became a Christian? Why and how? Of course it was part of God's plan for you but chances are someone stepped out of their comfort zone to tell you the Good News about Jesus.

When we have given our lives to Christ that's when the journey starts, and God wants us to give others the opportunity to know Him too. After all, what if no one had ever told you?

Jesus tells us to 'Go and make disciples of all nations' (Matthew 28:19). 'Go' implies an expectation on Jesus' part so let's be part of that great expectation.

WHAT IS Xee?

IT'S EASY TO GET EQUIPPED FOR PERSONAL, RELATIONAL EVANGELISM

For more than 50 years Evangelism Explosion has impacted lives around the globe by equipping believers to share their faith. Millions have been trained and they, in turn, have trained millions of others. This "spiritual multiplication" is why EE has been so successful. Equally exciting for us is that, every year, millions of people make a profession of faith in Christ through EE and hundreds of churches experience tremendous growth.

Now we have developed XEE, a new and effective way for leaders to equip newer generations of students in personal, relational evangelism. Through XEE, people become the type of witnesses that Christ intends for us all to be. XEE trains people to really connect with those around them and build stronger relationships. Using this platform, it's easier for someone to share the Good News simply and confidently. Ultimately, we want to help people lead their friends to a relationship with Jesus. We invite you to get on board!
